

RAMPART® TRIM

For use with RAMPART® and RAMPART Resolve® Flexible Wall Protection

CORNER GUARDS

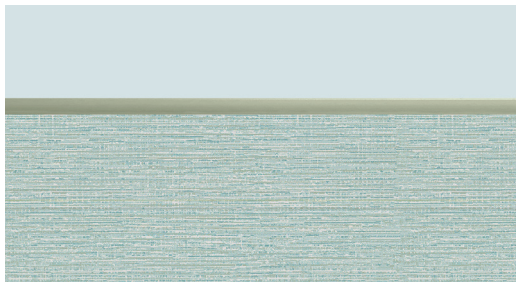

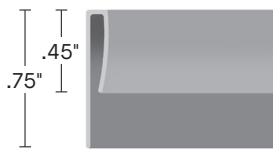

Rigid corner guards provide protection for outside corners with 90° angles. The .08" thick x 8' length extruded vinyl trim is colored throughout in 12 stocked colors and 58 others available for custom orders. Double-sided adhesive tape is factory applied to the full length of the inner surface of each wing.

In stock 8' length: 3/4" wing size: **CGT-34-8** | 1 1/2" wing size: **CGT-12-8**

Custom 4' length: 3/4" wing size: **CGT-34-4** | 1 1/2" wing size: **CGT-12-4**

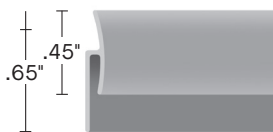

TOP/END CAPS

Vinyl end caps provide a finishing touch when installing RAMPART wall protection, which is .030"–.060" thick. The 10' length extruded vinyl is available in 12 stocked colors that coordinate with our corner guards, as well as 58 others available for custom orders.

In stock 10' length: **WC-98-10** | **Custom 8' length:** **WC-98-8**

JOINT COVERS

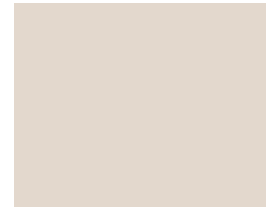

Vinyl joint covers provide a complementary transition molding when installing wallcovering along with RAMPART wall protection. The extruded vinyl is available in 12 stocked colors that coordinate with our corner guards, as well as 58 others available for custom orders.

In stock 10' length: **WC-99-10** | **Custom 8' length:** **WC-99-8**
